

A rider wearing a black leather suit and helmet is leaning into a turn on a green and black Kawasaki Ninja 650 ABS motorcycle. The motorcycle is in motion, leaning to the left. The background shows a city street with a brick building that has "TOYS" written on its facade. The sky is overcast. The overall image has a motion blur effect, suggesting speed.

Kawasaki

Ninja **650** ABS

Quick-revving 649 cc liquid cooled, 4-stroke DOHC Parallel Twin tuned for low-mid range performance. Revisions offer increased torque in the everyday range below 7,000 rpm.

Supersport-style bodywork, more aggressive, Ninja-inspired styling gives the Ninja 650 condensed, supersport looks.

The rigidity balance of the double-pipe frame and swingarm contributes to a lighter, easier handling package.

Stacked instrument cluster features an easier to read layout. Convenient new features keep riders fully informed of operating conditions.

NINJA 650
